VERTEX STARTER PACK

ORDERCODE: VERTEXSTART

Want to become a 3D printer expert?

Our Vertex engineers have hand picked some crucial tools and necessities for you to use while making and using your 3D printer.

Finetune your Vertex with the unlube oil and the allen keys. Save gcode files onto the 8 GB SD card and print fine objects with the colourful filament assortment. Or finish off your spool holder* with bearings and rubber feet. Check out the other gear that is included below!

*Most applicable to the Vertex Nano.
